Prepare workflow brief

Pinned note

Design section 1

Résumé, København, 東京, العربية, 🙂. Review **contrast** and *spacing*, then read the guide (https://example.com/guide).

- Keep every instruction
- Check the complete exported document

`Literal **code** 1`

Design section 2

Résumé, København, 東京, العربية, 🙂. Review **contrast** and *spacing*, then read the guide (https://example.com/guide).

- Keep every instruction
- Check the complete exported document

`Literal **code** 2`

Design section 3

Résumé, København, 東京, العربية, 🙂. Review **contrast** and *spacing*, then read the guide (https://example.com/guide).

- Keep every instruction
- Check the complete exported document

`Literal **code** 3`

Design section 4

Résumé, København, 東京, العربية, 🙂. Review **contrast** and *spacing*, then read the guide (https://example.com/guide).

- Keep every instruction
- Check the complete exported document

`Literal **code** 4`

Design section 5

Résumé, København, 東京, العربية, 🙂. Review **contrast** and *spacing*, then read the guide (https://example.com/guide).

- Keep every instruction
- Check the complete exported document

`Literal **code** 5`

Design section 6

Résumé, København, 東京, العربية, 🙂. Review **contrast** and *spacing*, then read the guide (https://example.com/guide).

- Keep every instruction
- Check the complete exported document

`Literal **code** 6`

Design section 7

Résumé, København, 東京, العربية, 🙂 . Review **contrast** and *spacing*, then read the guide (https://example.com/guide).

- Keep every instruction
- Check the complete exported document

`Literal **code** 7`

Design section 8

Résumé, København, 東京, العربية, 🙂 . Review **contrast** and *spacing*, then read the guide (https://example.com/guide).

- Keep every instruction
- Check the complete exported document

`Literal **code** 8`
